Re: Open Play Pickleball Safety Precautions and Procedures

To: Open Play Pickleball Participants

Greetings,

Open Play Pickleball returns <u>Saturday</u>, <u>August 8</u>, <u>2020</u>. As a general reminder, we will continue to offer 2 sessions on a weekly basis. Please keep in mind that our schedule may change once basketball season begins in November.

Schedule:

- Tuesdays: 5:30pm-8:30pm (schedule may vary due to previously scheduled programs)
- Saturday: 8:30am-12:30pm

Safety Precautions

- Please social distance from other participants while waiting to be checked in or resting between games.
- Upon arrival, all participants will go through a health screening including temperature screening using a non-touch thermometer.
- If a participant has a fever (100.4 degrees Fahrenheit or above) he/she will be unable to proceed and participate in open play badminton.
- After completing the screening process, we encourage all participants to wash or sanitize their hands prior to entering the gym.
- Face coverings are required throughout the general areas of the facility (hallways and restrooms) and encourage face coverings if unable to social distance from another individual.

Things to Note:

- Only 16 players will be allowed in the gym at a time (3 courts).
- Open play participants will be required to reserve their spot using Sign-Up Genius in advance to guarantee court/playing time. If an individual does not arrive within 10 minutes of their assigned time his/her spot may be given to a walk-in. If you know in advance that you will be unable to attend please delete your sign-up so another individual can take your spot.
- Open play pickleball is \$2 per person. We accept cash and credit/debit cards. To reduce cash handling, we encourage individuals to pay with a credit/debit card or purchase an open play pass for \$20 (11 sessions).
